

## Alumni Scholarship Fund

Summer Arts classes are often attainable to student because of the scholarships that we make available. Many of you have been the recipient of these scholarships and have been given the opportunity to have life changing experiences as a result of that funding. Please help us provide that opportunity for other artists. We know that you understand the importance of the arts in the world today. This is your chance to give back to CSU Summer Arts.

Thank you so much for your support!
